The gastronomy of Sant Hilari

The gastronomy of Sant Hilari Sacalm is distinguished primarily by the richness and quality of its local produce. The natural setting of les Guilleries provides fresh, seasonal ingredients that form the foundation of the town's culinary offerings throughout the year. Mushrooms, chestnuts, local vegetables, game meat, and artisanal cured meats take center stage at our tables—not to mention the traditional local desserts that provide the perfect finish to any meal.

Inside this brochure, you will find a comprehensive list of the town's restaurants. You can quickly check opening days, useful details, and approximate menu prices—updated monthly —to easily plan your visit.
